gauge whether or not it would be worth my time, and all praised Canby's American Indian Law in a Nutshell, 5th:

Hilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. This is the best introductory summary of the subject matter. Von Ein KundeI teach federal Indian law to undergraduate and graduate students. This book by Judge Canby is our primary text, supplemented by a 500-page course reader. Although federal Indian law is the most complex body of law in the U.S. legal system, the Canby book gives scholars and novices alike a good educational and reference work on the multitude of subjects that are covered. I recommend it as a 1st source for anyone interested in federal Indian law.
