ChewningA couple of days ago, I bought The Catholic Book of Prayers and started glancing through it. I was amazed at how the large print makes it easy to memorize each prayer. I've been

learning a prayer each day and I know exactly when to use them... while driving, taking a test, or just in a troublesome situation. This is definatly a must have for Catholics both adults and children. I grow closer and closer to God each day with it.0 von 0 Kunden fanden die folgende Rezension hilfreich.
