Von Glen E. Clarke : CCENT Certification All-In-One For Dummies before purchasing it in order to gage whether or not it would be worth my time, and all praised CCENT Certification All-In-One For Dummies:

KundenrezensionenHilfreichste Kundenrezensionen0 von 1 Kunden fanden die folgende Rezension hilfreich. :)Von Markus RawitzerSehr schnes Buch, das kann man durchaus jemandem empfehlen, der sich natrlich auch die Zeit nimmt, dieses Buch zu lesen und zu verstehen.1 von 1 Kunden fanden die folgende Rezension hilfreich. Sehr guter Einstieg !Von Gabriele HffnerIch bereite mich auf meine CCNA Prfung vor und dieses Buch war ein sehr guter erster Einstieg in das Sachgebiet, vor der Lektre der offiziellen Cisco CCNA Cert Guides.Die Themen werden sehr verstdnlich und fundiert (bezogen auf CCENT-Niveau) erklrt.Zum Beispiel haben ich nirgendwo sonst das Thema "Subnetting" so strukturiert und bersichtlich dargestellt gefunden.

Kurzbeschreibung Four information-packed books in one comprehensive package to help networking newcomers prepare for Cisco's CCENT certification! If you're preparing for your Cisco certification, your road starts with the Cisco CCENT Exam 640-822 ICND1, Cisco's entry-level exam for new IT professionals. This practical guide covers everything you need to know to get up to speed on routers, switches, and more. CCENT Certification All-in-One For Dummies is really four books-in-one: Networking Basics, Cisco Device Basics, Routing and Switching, and Advanced Topics. With over 600 pages of content and dozens of review questions, this reference will help you ace your exam and serve as a valuable resource throughout your career. Prepares entry-level IT professionals and students for Cisco's Interconnecting Cisco Networking Devices Exam 640-822, the standalone test for CCENT certification and the first of two exams for CCNA certification Filled with over 600 pages of content and dozens of review questions Includes four minibooks covering Networking Basics, Cisco Device Basics, Routing and Switching, and Advanced Topics Features bonus files with test engine to simulate actual CCENT Certification Exam and demonstration videos to show you how to perform critical tasks you'll need to master for your test Jumpstart your networking career by earning your CCENT certification with help from For Dummies! NOTE: Early editions of this book were sold with a companion disk bound inside the book. To download the companion files that are referenced in the text, go to booksupport.wiley.com and enter the book's ISBN.
