Von Michael Gregg : Certified Ethical Hacker (CEH) Cert Guide before purchasing it in order to gage whether or not it would be worth my time, and all praised Certified Ethical Hacker (CEH) Cert Guide:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. For Security Experts - A MUST HaveVon Jurgen S.This is a great book!Starting off, it is easy to read, but make no mistake, it does go into great depth. A very useful reference for anyone dealing with Security, not just the one studying for an exam.Highly recommended

Kurzbeschreibung This is the eBook version of the print title. Note that the eBook does not provide access to the practice test software that accompanies the print book. Learn, prepare, and practice for CEH v8 exam success with this cert guide from Pearson IT Certification, a leader in IT certification learning. Master CEH exam topics Assess your

knowledge with chapter-ending quizzes key concepts with exam preparation tasks Certified Ethical Hacker (CEH) Cert Guide is a best-of-breed exam study guide. Superior Solutions performs security assessments and penetration testing for Fortune 1000 firms. The company has performed security assessments for private, public, and governmental agencies. Its Houston-based team travels the country to assess, audit, and provide training services. Michael is responsible for working with organizations to develop cost-effective and innovative technology solutions to security issues and for evaluating emerging technologies. He has more than 20 years of experience in the IT field and holds two associate's degrees, a bachelor's degree, and a master's degree. In addition to coauthoring the first, second, and third editions of Security Administrator Street Smarts, Michael has written or co-authored 14 other books, including Build Your Own Security Lab: A Field Guide for Network Testing (Wiley, 2008); Hack the Stack: Using Snort and Ethereal to Master the 8 Layers of an Insecure Network (Syngress, 2006); Certified Ethical Hacker Exam Prep 2 (Que, 2006); and Inside Network Security Assessment: Guarding Your IT Infrastructure (Sams, 2005). Michael has been quoted in newspapers such as the New York Times and featured on various television and radio shows, including NPR, ABC, CBS, Fox News, and others, discussing cyber security and ethical hacking. He has created more than a dozen IT security training security classes. He has created and performed video instruction on many security topics, such as cyber security, CISSP, CISA, Security+, and others. When not consulting, teaching, or writing, Michael enjoys 1960s muscle cars and has a slot in his garage for a new project car. You can reach Michael by email at MikeG@thesolutionfirm.com.
