This book is not only about Charles Goodnight, but it is an excellent source on the history of the Panhandle, especially the settlement of the Palo Duro Canyon. You'll learn about the land, the wildlife, and the men who came to tame them both. It's an excellent biography, and should be required reading for anyone who lives within a hundred mile radius of the Palo Duro canyon.

Being a shirtail relative of Charles Goodnight, I have been anxious to learn more of him. My mother was a Goodnight, but not a direct descendant. More like a great-great niece. Would like to here from anyone who may be related. The book is very informative. I have an early copy from about the 1940's.

Kurzbeschreibung  
An exciting story of a Texas Ranger, adventurer, and immigration officer who became a symbol of his age while gambling with death in the wild frontier regions of Texas, Arizona, and Old and New Mexico. Charles Goodnight knew the West of Jim Bridger, Kit Carson, Dick Wooton, St. Vrain, and Lucien Maxwell. He ranged a country as vast as Bridger ranged. He rode with the boldness of Fremont, guided by the craft of Carson. His vigorous zest for life enabled him to live intensely and amply, and in this book by J. Evetts Haley, himself no stranger to the West, provides a fully readable and important western biography, vividly told, thrilling, witty, and completely authentic.
