Outstanding Views of Old ChicagoVon Ein KundeI can't say enough about this collection. This book includes a number of photographs that I have not seen in any other book. The large format allows one to see a lot of detail as

every photo gets a full page.

KurzbeschreibungRemarkable collection of 122 vintage views, most dating from 1904 to 1913. Rare large-format prints offer detailed views of the city's architecture and street life, including City Hall, State Street, the Loop, Hull House, Union Station, Comiskey Park, Lincoln Park Zoo, and many other landmarks.
