Von Caistor Nick : Chile in Focus: A Guide to the People, Politics and Culture (Serial) (In Focus Guides) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Chile in Focus: A Guide to the People, Politics and Culture (Serial) (In Focus Guides) (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 2 Kunden fanden die folgende Rezension hilfreich. Good

Book, interesting info. Von Ein Kunde Not a spectacular work, but it takes care of much of the information about Chile.

Kurzbeschreibung Once a byword for military repression and human rights abuses, Chile's image is now that of a dynamic economic success story. The "Chilean miracle," based on radical free-market reform and export-led growth, has been presented as a model for all developing countries. Yet this transition has also created its own social problems, challenging traditional values with the advent of extreme materialism. And with many scars left by the Pinochet dictatorship, Chile remains a country divided by its painful history. Famed for its spectacular landscapes that range from glaciers to deserts, Chile is also home to a vibrant cultural life, exemplified by writers such as Pablo Neruda and Ariel Dorfman. Music, cinema, and handicrafts reflect the country's artistic diversity as well as its mixed ethnic traditions. **Chile in Focus** is an authoritative and up-to-date guide to Latin America's "success story." It explores the land and people, history and politics, society and culture, the economy, and includes the author's expert tips on must-see landmarks and historical sites.
