Von Chris Bryant : Chris Bryant's CCNP SWITCH 300-115 Study Guide (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Chris Bryant's CCNP SWITCH 300-115 Study Guide (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. AndyVon ShAlab84Great book. I have also read the Cisco Press books but Chris' books are more funny and understandable with better pratical examples. Just waiting on the new CCNP ROUTE.

Kurzbeschreibung The CCNP SWITCH 300-115 exam is the first hurdle between you and the CCNP, and my study

guide is guaranteed to help you pass this exam AND be prepared to work with Cisco switches in real-world environments! This exam demands mastery of complex topics from advanced STP configuration to switch security, from multilayer switching to multicasting, and everything in between! I'm going to help you master these topics and earn your CCNP with my crystal-clear, BS-free CCNP SWITCH 300-115 Study Guide -- now available in hard copy for the first time! This study guide is absolutely packed with configurations and screen shots from REAL Cisco switches, and many of the examples and labs in this book come from real-world situations that I and other network admins have faced personally. My study guides have helped CCNP candidates earn their certifications for over 10 years - and now I'm ready to do the same for you. Let's hear from just a few of my thousands of happy students! "Your program is by far the best in the industry in terms of price, quality, and scope of the information. It's a great value and I appreciate the time and thought you put into the CCNP products. Very nicely done indeed." -- Jason Neumann, CCNP "Thanks for all your help and support in my Cisco journey. I would not be a network engineer working for a Cisco Gold Partner without your instruction." -- Ken Gander, CCNP "One thing I wanted to note was your style of writing. I really was receptive to this style and think more people could learn from this method. The fact that you carefully placed small doses of positivity within the technical writing was really encouraging!" -- Nick Algood, CCNP " I just wanted to write and say thanks again for all the great study materials that you provide. Just last week I earned my CCNP. I used your stuff exclusively to study for every Cisco exam that I've taken and I think they are by far the best training materials available for anyone looking to become Cisco certified." -- Bill Phillips, CCNP With my clear, comprehensive, straight-to-the-point illustrated lectures, and plenty of labs - all performed on REAL Cisco switches - you'll be better prepared for the CCNP SWITCH exam than you ever thought possible. I'm ready and waiting to help you master the CCNP SWITCH exam... .. and I absolutely guarantee this book is the best money you'll ever spend on any CCNP SWITCH exam preparation. (Especially when you consider a retake costs hundreds of dollars.) Thanks for making The Bryant Advantage part of your CCNP success story! Let's get started! Chris Bryant CCIE #12933 "The Computer Certification Bulldog" Kurzbeschreibung The CCNP SWITCH 300-115 exam is the first hurdle between you and the CCNP, and my study guide is guaranteed to help you pass this exam AND be prepared to work with Cisco switches in real-world environments!
