Great Thoughts on the Parables of ChristVon Ein KundeThis book has been a great help to me in getting more out of the parables of Jesus. The chapter on the parable of the Talents is worth far more than the price of the book.0 von 0 Kunden fanden die folgende Rezension hilfreich. A great exposition of the Parables of ChristVon Fitzroy HarewoodOne of Ellen White's great small books, she begins by establishing the reason for Jesus' use of parables and relates that back to our time. The author then proceeds to examine many ofthe famous parables in the gospels. The approach focuses on expanding and explaining the story itself and then proceeds to explain the spiritual significance.

the language is simple and the writing flows easily. Clearly the work of an inspired person.
