Repetitive Von Christiane This book was written in fits and starts over the years and it shows. Parts of it are very funny but here Mark Twain doesn't know when to stop. Long after the reader has got the message he goes on and on repeating himself and his humour becomes almost vitriolic. 0 von 0 Kunden fanden die folgende Rezension hilfreich.  
Gut recherchierte und differenziert bewertende Einschätzung von Christian Science Von Daniel Huber Fundiert

recherchiert, differenziert bewertet und wie von Mark Twain zu erwarten geistreich, witzig und treffend geschrieben. Eine amsante Pflichtlektre fr jeden, der sich mit Christian Science auseinander setzen mchte.Uneingeschrnkt zu empfehlen.

Established in late 19th-century, the church propounded the belief of healing through prayer and greatly relied on the power of human imagination. He has brilliantly employed wit, humour, and satire to voice his views. Highly illuminating!
