Geschichtsunterricht gut geschriebenVon Heinz GrabotinDieses Buch sei allen Geschichtsinteressierten ans Herz
gelegt, die der englischen sehr gut Sprache mchtig sind. Denn nur dann erschlieen sich die bisweilen ironischen
Untertne des Autors. Alles in allem eine klare Empfehlung.

Kurzbeschreibung Church and State in England to the Death of Queen Anne is an expansive, thirty chapter history that chronicles England from its conversion to Christianity until the 17th century. A table of contents is included.
