Von David J. Eicher : Civil War Battlefields: A Touring Guide before purchasing it in order to gage whether or not it would be worth my time, and all praised Civil War Battlefields: A Touring Guide:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A terrific guide to the Civil War BattlefieldsVon Ein KundeI found this book to be the best in this area. Many of the others I looked into were too compact, too poorly detailed, or far too many advertisements, difficult to read or just too

hard to figure out. Mr Eicher does the job right. Each battlefield is detailed out with great maps, numbered markers and a condensed history. The maps are perfect for a colored marker pen to assist when driving along or for walking the trails. My first copy, after my vacation two years ago, disappeared, so I bought another copy for my trip next year. A great gift or keep handy for your next trip to Chickamaug, Five Forks, Franklin or when watching a theme related movie. Five and a half stars. Check it out!

KurzbeschreibungHere, for the first time, is a book that goes beyond providing just a brief battle history for each of the Civil War parks. Civil War Battlefields presents a detailed, clear narrative describing exactly what visitors can see and do in twelve important battlefield areas covering 22 campaigns and approximately 40 separate battles.Pressestimmen."..of all the books written about the war none provided any detailed information about what could be seen at the major sites. This book triest to remedy that oversight."--June Sawyer "Chicago Tribune"..".of all the books written about the war none provided any detailed information about what could be seen at the major sites.
