An outstanding compendium of Californian history.Von Midwest Book ReviewClassic Tales In California History is an outstanding compendium showcasing 36 fascinating, true tales, including America's Only Emperor; The Bear Flag

Revolt; Wheelbarrow Johnny; The Japanese Internment; Russia's Bid for California; Snowshoe Thompson; and The Chinese Tong War.

Kurzbeschreibung Women found gold in the Mother Lode country a full year before James Marshall made his find at Coloma and became famous for causing the California gold rush. Wheelbarrow Johnny was one of the gold seekers who arrived in California. Instead of joining the other miners, he took a job as a blacksmith building wheelbarrows. He went on to become one of the nation's auto magnates. His name was John Studebaker.
