Von Col. Bob Stoffey : Cleared Hot!: A Marine Combat Pilot's Vietnam Diary before purchasing it in order to gage whether or not it would be worth my time, and all praised Cleared Hot!: A Marine Combat Pilot's Vietnam Diary:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Cleared hot is a disappointmentVon Ein KundeAs much as I wanted Cleared Hot to be a good read, I was simply not able to

tolerate it more than 30 pages. Although the content is good and certainly deserves the attention, this book is very poorly written, it is a struggle to get by each page. The "dialogue" is so contrived that it boggles the mind-it reads like a poor B movie. I only wish that Col. Stoffey had had the good sense to have someone else do the writing. As it is, it comes across as self-serving, poorly fabricated, tedious task that will test even the best intentioned reader. I honestly can't believe the other reviews--avoid this book, you'll wish you had your money back!

Stoffey's account of his lengthy involvement in Vietnam you arrive at the conclusion that that this man and many like him would have won the war if given the opportunity. Every day that they were "in country," unsung acts of heroism occurred that the general public never had access to until now. Col. Stoffey's book gives new perspectives on our early and late involvement in Vietnam from the perspective of a Marine aviator. It's battle descriptions are gripping. You can't put it down until you've finished it, and then you're sorry that its over. Well done!

Gives a moving account of what he had to encounter in Vietnam. Very knowledgeable for anyone wishing to learn more about marine snipers and what they endured. Touching memoir to his mother. Recommend this to anyone who wants to get a first hand account of sniper fighting in Vietnam.

Kurzbeschreibung Daring missions. Dangerous rescues. Deadly accuracy. Many pilots never made it out of 'Nam. This one did. Highly decorated Col. Bob Stoffey-- a Marine Corps pilot for over twenty-five years, who served multiple tours in Vietnam-- has seen and done it all. Cleared Hot! is his story-- a fast-paced, high-casualty flight into heart-stopping danger. Full of vivid detail, this combat diary uncovers the real heroes of the Vietnam War, the behind-the-scenes Marine Corps pilots who helped our boys return home...then went back for more. Includes eight pages of heroic photographs!
