Von Editors of REA : CLEP History of the United States I (CLEP Test Preparation) before purchasing it in order to gauge whether or not it would be worth my time, and all praised CLEP History of the United States I (CLEP Test Preparation):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Outstanding Review for the CLEP History Exam Von MH This is the only book you will need to pass the CLEP American History to 1877 exam. In addition to reading the narrative, make sure you review all the answers to the CLEP test sample questions...the test answers contain supplemental information you will need for the test. Outstanding book, read the text, and review all of the sample questions and you will blow away the CLEP. 0 von 0 Kunden fanden die folgende Rezension hilfreich. waste of time Von Davei read the book several times and took notes. i then used the practice tests to study. i took the test and i believe that i passed. the problem is that i found myself making educated

guesses on at least 50% of the questions. the book and practice tests were very similar to a normal text book and course test. that may seem like a good thing, however, the clep test was not organized in the same fashion. it asked for generalizations over a period of time. i also encountered several topics on the test which were not even mentioned in the book. as compared to the book i used for the principles of management test, i found this book to be a poor return on study time invested.0 von 0 Kunden fanden die folgende Rezension hilfreich. Buy this book!Von Ein KundeI found this book to be outstanding preparation for the CLEP. After reviewing the material, taking the sample exams, then reviewing the answers to the sample exams I scored a 76 on the test. It is important to review the detailed answers to the sample exams as they often provide more detailed explanations of those answers than are found in the beginning of the book. I wish I could find this company's book for US History II, but so far I have had no luck.

KurzbeschreibungREA Real review, Real practice, Real results. An easier path to a college degree get college credits without the classes. CLEP HISTORY OF THE UNITED STATES I: Early Colonization to 1877 Based on today's official CLEP exam Are you prepared to excel on the CLEP? * Take the first practice test to discover what you know and what you should know * Set up a flexible study schedule by following our easy timeline * Use REA's advice to ready yourself for proper study and success Study what you need to know to pass the exam * The book's on-target subject review features coverage of all topics on the official CLEP exam, from the Colonial Period to the New Nation up to the Civil War and Reconstruction * Smart and friendly lessons reinforce necessary skills * Key tutorials enhance specific abilities needed on the test * Targeted drills increase comprehension and help organize study Practice for real * Create the closest experience to test-day conditions with 3 full-length practice tests * Chart your progress with full and detailed explanations of all answers * Boost your confidence with test-taking strategies and experienced advice Specially Written for Solo Test Preparation!
