KundenrezensionenHilfreichste Kundenrezensionen0 von 1 Kunden fanden die folgende Rezension hilfreich. fr Einsteiger geeignet.Von M. TillichNur 4 Sterne, da die beschriebene Version icht mehr ganz aktuell ist, was aber kein Problem darstellt.Es liest sich gut und flieend, keine verlangen Abstze oder Fachbegriff-Schlachten. Fr Einsteiger ist es geeignet- sich vorher ein paar Stunden durch die unzhligen Einsteiger-tutorials in blogs und auf der codeigniter Seite selbst durchzukmpfen hat mir aber definitiv nicht geschadet. So konnte ich mich in den ersten Kapiteln an die Sprache und die Schreibweise gewhnen und habe die Grundlagen, die ich eh schon hatte nochmal gefestigt und Verstdnislcken gestopft.Ich kann es empfehlen, vom Englisch her ist es nicht sehr anspruchsvoll (bin 11.klasse, kein

problem).
