**Von Anthony M. Skrocki : Contracts in a Nutshell, 6th (In a Nutshell (West Publishing))** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Contracts in a Nutshell, 6th (In a Nutshell (West Publishing)):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. A

classic! Von Ein Kunde I bought this book during my first year of law school and was grateful for its clear, concise explanations and numerous examples. Since then, I have referred to *Contracts in a Nutshell* many times in the context of both academic and professional research. At present, I find that many excerpts are even suitable for teaching basic principles of contract law to students in non-law-related fields. But of course, its primary purpose remains dispelling the mysteries of contract law for 1st years and sweeping the cobwebs from the bar-taker's storeroom of legal knowledge.

Kurzbeschreibung Rohwer and Skrocki's *Contracts in a Nutshell* is a succinct summary of the fundamentals of contracts. Contains expert coverage on forming contracts, restitution, statute of frauds, contract interpretation, and modification. Also discusses remedies, performance, and third-party beneficiaries.
