Von Cheryl Besenjak : Copyright Plain Simple (Plain Simple Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Copyright Plain Simple (Plain Simple Series):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Tops as "entry level" introduction to copyrightVon j.b.mchugh@worldnet.att.netGiven the the complex,and ambiguous nature of copyright, publishers and serious writers should a have number of copyright law books in their library. Besenjak

rates highly as an understandable introduction. If you could read only one introductory book on copyright, read this one.

Kurzbeschreibung This newly revised edition of Copyright Plain Simple outlines the fundamental elements of copyright as they apply to a variety of works, including: literature, drama, music, choreography, pantomimes, motion pictures and other audiovisual works, architecture, and so on. Copyright Plain Simple takes copyright out of the legal form and presents it in ways you can use and understand clearly. Some issues that are covered in Copyright Plain Simple include: - What copyright is and why it is important. - What copyright issues have been clouded by the Internet. - When copyright law started and how it has changed over the years. - The types of properties that are-and aren't-protected by copyright. - What "fair use" is and when you claim it. - What constitutes copyright infringement and how you can avoid it.
