Excellent book Von B Benz This book is excellent. It covers many topics, mainly related to Air Force Security, and makes each of them readable and interesting. I learned a lot about where terrorists are coming from and some of the

things the Air Force is doing to counter them.

KurzbeschreibungRecent bombings of U.S. embassies in Africa remind us that U.S. citizens and U.S. interest are not immune to terrorism. Featuring the works of world-renowned experts, this book traces the recent evolution of international terrorism against civilian and U.S. military targets, looks ahead to where terrorism is going, and assesses how it might be contained.KurzbeschreibungRecent bombings of U.S. embassies in Africa remind us that U.S. citizens and U.S. interest are not immune to terrorism.
