Von David Starkey : Crown and Country: A History of England through the Monarchy before purchasing it in order to gage whether or not it would be worth my time, and all praised Crown and Country: A History of England through the Monarchy:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Good bookVon ChristineA lot of interesting facts about the history of Great Britain written in an easy manner, good to read. I recommend it.0 von 1 Kunden fanden die folgende Rezension hilfreich. War ein GeschenkVon CarolaDas Buch war

ein Geschenk und ich kann über den Inhalt leider nichts sagen. Wurde vom Empfänger sehr gelobt.-daher 5 Sterne.

Kurzbeschreibung From one of our finest historians comes an outstanding exploration of the British monarchy from the retreat of the Romans up until the modern day. This compendium volume of two earlier books is fully revised and updated. The monarchy is one of Britain's longest surviving institutions as well as one of its most tumultuous and revered. In this masterful book, David Starkey looks at the monarchy as a whole, charting its history from Roman times, to the Wars of the Roses, the chaos of the Civil War, the fall of Charles I and Cromwell's emergence as Lord Protector all the way up until the Victorian era when Britain's monarchs came face-to-face with modernity. This brilliant collection of biographies of Britain's kings and queens provides an in-depth examination of what the British monarchy has meant, what it means now and what it will continue to mean. Bringing to life a cast of colourful characters, Starkey's trademark energy and authority make him the perfect guide on this epic, accessible and compelling journey, as he offers us a vivid portrait of British culture, politics and nationhood through an institution that has defined the realm for nearly two thousand years.

Pressestimmen 'Eminently readable! Starkey is particularly good at explaining the shifting tone of monarchical power!' "Crown and Country" is a masterpiece of accessible history, underscored with profound scholarship! the author's passion for his subject, the royal tale of England, which is the backbone of this nation's story explodes from every page. I defy anybody not to enjoy this book.' Guardian 'Entertaining! Starkey writes with the snappy zest of an unrepentant telly-don! he has a lovely eye for a good story! he also has a nice line in snarky humour! Starkey's great skill is to weave big themes quietly into a rollicking narrative so that you absorb them almost without noticing they are there.' Daily Telegraph 'Excellent! the really crucial events in the history of the British Monarchy! are assessed with authority, wisdom and wit! This is Starkey at his fluent and entertaining best.' Sunday Telegraph 'This book! is vivid, lucid and engaging! his judgements delivered with quasi-Pontifical assurance are often acute! a very enjoyable book.' Daily Telegraph 'David Starkey tours England's monarchical horizon with gusto.' Sunday Times 'Starkey brings the past to vivid life.' Daily Express 'Combines compelling narrative and lucid analysis to guide us with a sure hand! Starkey's book will undoubtedly make him and his publishers a tidy profit.' Spectator
