Excellent daily devotional book; insightful and concise Von Ein Kunde I have been using this book for more than fifteen years and have given it as a gift to at least twenty other persons. The daily devotionals are concise and extremely insightful. It is a book that ministers to the youngest adult believer, while challenging the more "mature" Christian. From more than one of the recipients I have heard, "he writes like he knows me and just how I think!" I

highly recommend this delightful treasury of insights and challenges to continued growth in the Lord.

**Kurzbeschreibung**A calendar of devotional readings for the daily walk of the Christian and his God. With appropriate Scripture readings.
