Von Henry James : Daisy Miller (Illustrated) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Daisy Miller (Illustrated) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen12 von 13 Kunden fanden die folgende Rezension hilfreich.
Charakterstudie im sdlichen MilieuVon Ein KundeIn Italien lernt eine junge attraktive Amerikanerin einen etwas frmlichen jungen Amerikaner namens Winterbourne auf unkonventionelle Art und Weise kennen. Fasziniert von ihrem Charme, lt er sich auf einen Flirt mit ihr ein, auch wenn sie mit ihrer extrovertierten Art einige Grenzen des gesellschaftlichen Umgangs berschreitet. Die junge Frau sprht vor Vitalitt und Lebensfreude, und schart eine ganze

Schar Verehrer um sich, meist nicht standesgemäße Italiener, was ihr einen zweifelhaften Ruf und Ausschluss aus der Gesellschaft einbringt. Winterbourne holt den Kontakt zu ihr aber trotzdem aufrecht, auch wenn es bald so scheint, als ob sie sich mit einem attraktiven Italiener namens Giovanelli verlobt. Doch am Ende kommt alles ganz anders... James' kleine Novelle ist eine hervorragende Charakterstudie im südlichen Milieu, auch wenn er sich mit der Darstellung des Italienerstereotyps bedient. Das Thema der Sprengung gesellschaftlicher Konventionen zum Preis der gesellschaftlichen Isolation ist meisterhaft dargestellt. Die Sprache ist lebhaft und anspruchsvoll, das Buch ist ein echter Spaß zu lesen. 1 von 1 Kunden fanden die folgende Rezension hilfreich. A Quick Dip into the Stylish Prose of Henry James Von Donald Mitchell "Judge not, that you be not judged. For with what judgment you judge, you will be judged; and with the measure you use, it will be measured back to you." -- Matthew 7:1-2 (NKJV) Daisy Miller is the essence of a well-written novella: deep characterizations developed through a variety of interactions, minimal prose to capture a point, carefully balanced action that rounds out a message, plenty of exhibition of internal thoughts and feelings, and stark contrasts in personal philosophies. While brief, this book contains enough food for thought to provide entertaining dinner conversation for years. Although Daisy Miller is the title character and the most appealing character in the book, Henry James uses Frederick Winterbourne to convey his points, both as narrator and as an American expatriate who is not at home entirely in either Europe or the United States. Winterbourne finds much that is appealing about Daisy Miller, but he's also concerned about maintaining his social standing in the expatriate community, a community that's filled with concerns about appearances. Daisy Miller is what might call a 20th century woman, emancipated from concerns about money by having a rich father, free to try her hand at life because her mother is overwhelmed by her parental responsibilities, and filled with enthusiasm for life. Embracing American values of taking everyone in as a fellow human, her behavior drives the expatriates wild. Lest you think it's all about freedom versus social snobbery, James takes pains to point out that there are real costs when freedom is misused. So no one gets a free pass in this novella. That's a major part of its charm. All the characters have weaknesses, flaws, and vulnerabilities. That makes them, well, almost human. While some characters are drawn in very negative terms, it's more for contrast with Daisy ... rather than as a deliberate attempt to create cartoon characters. Some of the scenes are so beautifully written they'll take your breath away with the possibilities that they evoke. That's the brilliance of James at work. Enjoy those! 1 von 1 Kunden fanden die folgende Rezension hilfreich. slow but fascinating Von Ein Kunde Modern readers might be put off by the lack of action in this short novel, but Daisy Miller is a psychological study. Daisy Miller, a young American girl, cannot navigate the social complexities of Americans in Europe. In fact, she does not even try. Daisy is her own person, with her own mind. She is a liberated woman before the phrase was ever invented. The young American man who falls in love with her fails to express his feelings because he is too concerned with what others think of her. The tale is a tragedy, with a suitably sad ending.

Kurzbeschreibung This e-book publication is unique which includes illustrations. A detailed Biography has been included by the publisher. This edition has been corrected for spelling and grammatical errors. From Library Journal James's brief 1858 classic is here presented as a no-frills edition in Dover's Thrift series. Since the text is a staple in many high school and college literature curricula, Dover provides a painless, inexpensive way of stocking multiple copies. Copyright 1996 Reed Business Information, Inc. Pressestimmen The critical faculty hesitates before the magnitude of Mr. Henry James's work. Joseph Conrad
