Von William O. Darby : Darby's Rangers: We Led the Way before purchasing it in order to gage whether or not it would be worth my time, and all praised Darby's Rangers: We Led the Way:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. We Led

the Way Review Von liz armstrong This book in a indepth lok at the struggles of the Darby Rangers and their missions during WWII. Should be required reading for every basic trainee in the armed forces today.

Kurzbeschreibung The exciting true story of a legendary leader and the men who fought by his side in World War II, told in his own words From the moment they hit the beaches in North Africa to their last desperate struggle at Anzio, Darbys Rangers asked for only one thing in World War II the chance to fight. Experts at amphibious landings, night attacks, and close combat, the Rangers were the spearhead advancing U.S. forces. And at their helm was William O. Darby, a forceful, charismatic man who inspired, and was inspired by, his troops. Against overwhelming odds in Tunisia, through the concentrated hell at Gela, on to the final kill at Messina and the Italian mainland, Darby and his Rangers led the way. Darbys Rangers is an authentic war story, as vivid as the action itself. Proud reading . . . of value to a new generation of military historians and battle buffs. Military Affairs Magazine
