Ami-Proll "vom obersten Regal"Von tazmikeIch kannte Sarah Thyre aus der TV-Serie "Strangers with Candy" (hilarious!!!!!!) und war neugierig auf das Buch.Was fr eine Kindheit, was fr eine Familie?! KurzbeschreibungAs a middle child raised middle class and stuck out in the middle of Louisiana, hilarious writer and actress Sarah Thyre often found her in-between existence far less than desirable. Even from a young age, Sarah found ways of shirking her own hated identity whether by stealing someone else's or lying about her own. She changed her name, claimed to be a great outdoorsman, and solicited donations for her favorite charity which turned out to be, in fact, her. In addition, Sarah lived through the violent struggles between her parents and their often troubled finances, and the stories with which she emerged populate this charming memoir.
