**Von Joseph C. Aldrich : Gentle Persuasion: Creative Ways to Introduce Your Friends to Christ** before purchasing it in order to gage whether or not it would be worth my time, and all praised Gentle Persuasion: Creative Ways to Introduce Your Friends to Christ:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Don't

read in one sitting. Von Ein Kunde Aldrich's book is best absorbed a page or two at a time. Keep it next to your devotional literature and pray through it on a daily basis. It is an encouraging, inspiring, and thought-provoking look at the most important aspect of religious conversion-- the one-on-one connection established with another human soul. That is the hardest and most time-consuming aspect of witnessing, something the hit-and-run methods of evangelism are (perhaps purposefully) ignoring. Don't read this unless you want to see your in-laws, neighbors, boss, and co-workers become believers.

Kurzbeschreibung Gentle Persuasion is an encouraging appeal of all Christians of all ages and abilities to become part of God's strategy for bringing needy men and women to Christ. Join Joe as he explains how cherry pie, hammers and saws, lawn mowers, broken-down cars, chariots of fire, babysitters, duck hunters, llama farmers--and even attack lambs with steel wool--can draw your friends to the Savior.
