Von Mark Grimsley, Brooks D. Simpson : Gettysburg: A Battlefield Guide (This Hallowed Ground: Guides to Civil War Battlefields) (English Edition) before purchasing it in order to gage whether or not it would be worth my

time, and all praised Gettysburg: A Battlefield Guide (This Hallowed Ground: Guides to Civil War Battlefields) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. The best Gettysburg guidebook aroundVon Ein KundeI have tramped over the Gettysburg Battlefield a half dozen times with various books in hand. My hat is off to Mark Grimsley Brooks D. Simpson. I found this book to be the most thorough and well written of any text I have used. In November, 1999 I went to the battlefield with the main purpose of studying the fighting around the Peach Orchard and Wheatfield. This book was very helpful in helping me understand the chain of events that occurred in these places July 2, 1863. I also found the descriptions of the fighting July 1st around the McPherson Farm to be excellent.A very good and practical guide.

KurzbeschreibungLittle Round Top, the Railroad Cut, Picketts Charge these are the turning points within the most important battle of the Civil War. Even careful students of Gettysburg, however, can find themselves disoriented when visiting the site itself. Here, finally, is a convenient guide for serious student and casual visitor alike that makes plain the sweep of events and the geography of the battlefield.
