book written by soldiers who fought in the battle Von Charles Rhoads Gettysburg is a well written book by two soldiers who fought in the battle. COL William C. Oates fought for the Confederate side and LT Frank A. Haskell fought for the Union side. Each soldier captured his side of the battle in great detail. The stories are well written and easy to read. It is very interesting to read about the different viewpoints of the battle. COL Oates gives a great analysis of why the Confederates lost the battle and how they could have won it. I highly recommend this book for all fans of the Battle of Gettysburg. 0 von 0 Kunden fanden die folgende Rezension hilfreich. A remarkably objective and detailed report from a union view Von KRJABQ1@aol.com In order to fully appreciate this minute by minute account you should first see the movie "gettysburg" and visit the national park. The detail of how the soldiers were placed comes to life and even more amazing is the recounting of how the soldiers felt, what they were thinking and the general's strategies in leading their men. I highly recommend the audio tapes of this book.... If you've been there, if you've studied the battle, you will be completely mesmerized!!!

Kurzbeschreibung In this unique series the Civil War comes vividly to life. Here an eyewitness accounts--many available for the first time in decades--by generals, journalist, and ordinary foot soldiers, both blue and gray, who relive the conflict in all its terrible glory. Each volume brings you a human perspective on the war--its most decisive battles, its most remarkable personalities. Gettysburg: Two Eyewitness Accounts is American history at its finest--and a reading experience you will never forget. In some ways it epitomized the entire war: three hot days in July filled with missed opportunities, great courage, inconsistent leadership, and horrific, relentless carnage. In rare volume we see the battle from both sides, as experienced by two very different combatants, one Union and the other Confederate. From Little Round Top to Devil's Den to Pickett's Charge, Lt. Frank A. Haskell and Col. William C. Oates, one in a meticulous hindsight and the other still feverish with war, re-create three days that changed American history. Here are the momentous decisions of Lee, Longstreet, and Meade. Here are the fatal maneuverings of the forces in the field. And here, in descriptions unmatched in Civil War literature, is all the heartbreak and triumph of Gettysburg. From the Paperback edition.
