It's a nice story Von Swiss32I only gave this book 3 stars as the story seems a little awkward. The mother and son are talking about Christmas cookies and then he gives the cookie to a homeless man and then the end. The drawings are very nice but I just wish there was a little more to the story.

Kurzbeschreibung Its the Christmas season during a time when people had little money to spend. Cookie jars held pennies, not Christmas cookies. So when Jack smells something delicious coming from the kitchen, he cant believe his nose. Cookies! But his excitement turns to disappointment when he learns the cookies arent for him. Instead, Mother is baking them for the needy people at their church. While Jack helps roll out the dough, his mother tells him the legend of the Christmas cookie. In a captivating interplay of simple words and beautiful illustrations, The Legend of the Christmas Cookie tells a tender story of givingnot just cookies, but gifts of the heart that last forever.
