Von Friedrich Strassegger : Goldsteins Confessions - A true story before purchasing it in order to gage whether or not it would be worth my time, and all praised Goldsteins Confessions - A true story:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich.
BrilliantVon DOROThe reader hardly gets a chance to distinguish between reality and fiction.The historical correctness of the plot reflects the authors addiction to investigate facts and embed fiction in a compelling manner.

Read to book in two days, a real page turner.

KurzbeschreibungA former SS man kills a concentration camp inmate; after the war he lives the inmates life. The former SS officer Hermann Westermayer lives a stolen life. Having killed and stolen the identity of the Jew Daniel Goldstein, he tries, after World War II, to lead a successful life, but his true identity always catches up with him. In the seventies, when he is living in Israel, he receives a letter: someone has discovered his true identity and now tries to blackmail him. Daniel Goldstein, alias Hermann Westermayer, believes that murder will be the solution...KurzbeschreibungA former SS man kills a concentration camp inmate; after the war he lives the inmates life. The former SS officer Hermann Westermayer lives a stolen life.
