Von Paul Keenan : Good News for Bad Days: Living a Soulful Life (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Good News for Bad Days: Living a Soulful Life (English Edition):

Kurzbeschreibung A practical approach to satisfying spiritual hunger living a more joyous life. From Library Journal Catholic priest and radio host of As You Think and Religion on the Line, Keenan ponders topics such as work, midlife crisis, relationships, sickness, depression, and death as starting points for reflection on the divine mystery of life. He shares his personal lessons and the stories of people in his ministry, considering human frailties and potential in terms of soulful living, the elusive quality of sacredness inherent in being. While he remains upbeat and pragmatic, Keenan does not avoid the complexities and problems of faith and suffering. A good pick-me-up for readers who want thoughtful wisdom that is neither too heavy nor too simplistic. Copyright 1998 Reed Business Information, Inc.
