Von John Bunyan : Grace Abounding to the Chief of Sinners [with Biographical Introduction] before purchasing it in order to gage whether or not it would be worth my time, and all praised Grace Abounding to the Chief of Sinners [with Biographical Introduction]:

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. Bunyan,

my brother Von marge John Bunyan's journey toward saving faith parallels my own more closely than any other fellow sinner's. When I first read his story, I grabbed a pen and filled the margins, and all the while my heart whispered, "Comrade!" At once, I was comforted by the realization that though Bunyan was long gone, there had been another human being who had known the same fearsome battles waged on our behalf by the God who never relinquishes what belongs to Him. Those years when I had felt strange and apart from other believers, suddenly became "safe" to recall. For anyone who is still holding on to the arrogant belief that a person chooses God, rather than the other way around, Bunyan's story is for you. It puts all arguments to rest, leaving only humility and worship in its wake. 2 von 2 Kunden fanden die folgende Rezension hilfreich. Tough reading material Von Ein Kunde This book is one of the toughest readings I've ever been through. It has some very interesting points, first of all the chance to have a look into the thought process of a deeply religious person, and I am deliberately avoiding the name Puritan or Christian here, because I think Bunyan's spiritual struggle is a thing followers of all religious formations have in common. The negative point is that after reading his constant "Ups" and "Downs" for a while it is really hard for the reader to keep concentrating on the topic. My conclusion is, I am glad that I read the book, though I wouldn't want to read it a second time. 0 von 0 Kunden fanden die folgende Rezension hilfreich. a fearsome existential battle in the heart of John Bunyan Von sdp@iserv.net The Bible says "work out your salvation with fear and trembling for it is God that works in you..." This book describes the fearsome existential battle fought within the heart of John Bunyan as he worked out what it meant to be converted to Christianity. This book is not for the fearful or those who think the cost of discipleship is easy belief.

Kurzbeschreibung John Bunyan (1628-1688) is most famously known for writing "The Pilgrim's Progress", a two-part allegory of the Christian pilgrimage toward salvation. The wildly popular book was written in Bedford during Bunyan's time in prison he was sentenced to twelve years for holding unlicensed church services. During this time Bunyan also completed an autobiography recounting the story of his own conversion from a life of sin and impiety to one of virtue and spiritual regeneration. "Grace Abounding to the Chief of Sinners" illustrates the tenets of Puritanism through what Bunyan saw as God's saving grace in his own life. He reflects on a sinful youth, and how it led him towards an impious adulthood. Those who read the novel are comforted by Bunyan's honest admission to feelings of despair and doubt; even today, many people can identify with his struggles, and find inspiration in his faith and religious conviction.
