A MUST READ for all true ChristiansVon Ein KundeNo one has taken on the Biblical theme of God's infinite GRACE extended to mankind through the Person and work of Jesus Christ, as revealed in the Bible, like Chafer. He has skillfully exposed the simplicity and, at the same time, the depth of this glorious, Biblical theme. This is a book which

will cause the reader to spend much more time THINKING about its contents than actually reading. But what a pleasure for the reader!

Kurzbeschreibung Do you realize that grace is the very heart of Christianity and is almost unrecognized as such, even by Christians? Startling indeed, but only because Christianity is so generally treated as being merely an ethical system. Probably no book has appeared which more comprehensively states the glories of divine grace with their exact relation to everyday life. In Grace Lewis Sperry Chafer clearly presents the fundamental distinctions between the principles of law and grace.
