Von Cecelia Holland : Hammer For Princes (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Hammer For Princes (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Hammer for PrincesVon Frauke WarnerA great story about a time other authors have written about, the 12th century in England, but not as evocative, the best in her line of historical novels!

Kurzbeschreibung England in the twelfth century: torn by a long and bloody civil war between King Stephen and Henry Plantagenet. The wise and principled Fulk, Earl of Stafford, along with his son Rannulf and their allies bravely fight with their knights for honor and peace as Thierry, Fulks uncle, grows increasingly obsessed by his own dark desire for success. New battles are fought throughout the kingdom and sieges grip the nation as war and fever threaten to take Fulks loved ones from him. Filled with regret and uneasy about the nave and stubborn Rannulfs welfare, the Earl of Stafford fiercely defends himself and all he holds dear. Yet all is not well as grief and weariness threaten to overtake him, but as he prays for guidance he relentlessly seeks victory and peace amongst the volatile treachery that surrounds him. A loyal fighter, father and friend, Fulk contends with dangerous heraldic politics and powerful but potentially deadly noble women, to fight for what he knows is rightfully his Hammer for Princes is a drama of jealousy and ambition, betrayal and murder, played out in a bitter medieval family feud.

Praise for Cecelia Holland: Brilliant evocation of medieval England Miss Holland is expert at using details that bring home the feel, the colour and the scent of the period. Rosemary Hawley Jarman. Cecelia Holland was born on New Year's Eve, 1943, in Henderson, Nevada, and was raised in Metuchen, New Jersey. She received her education at Connecticut College. Her first book, *The Firedrake*, written when she was just 22, was acclaimed as a work of maturity, craftsmanship and force. Her subsequent novels have established Cecelia Holland as an exciting and imaginative writer. She is also the author of *Ghosts on the Steppe* and *The Kings Road*. Endeavour Press is the UK's leading independent digital publisher. For more information on our titles please sign up to our newsletter at www.endeavourpress.com.
