Ghost approved book, that needs to be read! Von Britian Henry This volume is a usual Roberts Liardon book. He is an anointed man of God that writes books for God's glory. This book is very deep, but just simply tells the truth. Christians have no need to fear demons or demonic forces if they are walking in the power of God. This book is great, and I highly reccommend it. My only objection is that fasting and prayer weren't discussed all that much in this book. The bible says that to cast out demonic spirits of a certain level takes fasting and prayer. But other than that, this book is great, and I highly reccommend it! God bless !0 von 0 Kunden fanden die folgende Rezension hilfreich. Powerful book! Von Ein Kunde Roberts Liardon very methodically and systematically reveals to us the origins of demons, the goals of these demons, and the ways which we are able fight these demons and get them out of our lives and make them stay out! Soundly biblical, straight-to-the-point, and easy to read.
