An extraordinarily pleasant surpriseVon Ein KundeI'm a practicing Catholic, and (quite frankly) when an employee gave me this book as an early Christmas present, my expectations were low. Usually, attempts at "Catholic humor" fail--either because they are full of errors, or deliberately offensive, or both. What a surprise to read this book. With increasing respect (and enjoyment) I read this book straight through once, then again; it will be a valuable reference book for me to recommend to people interested in Catholicism who want an accessible but accurate introduction to the cult of the saints. I'm still not sure how the authors managed to walk that extremely fine line between authenticity and readability. The humor is important, true; but it's gentle and not ever mean-spirited or disrespectful. The delineations between fact and myth are precise. This is a truly wonderful find.0 von 0 Kunden fanden die folgende Rezension hilfreich. Heaven Help UsVon JoyceI found my copy of "Heaven Help Us" on the shelf of a small book store and was immediately drawn to it because of the title and subtitle ("The Worrier's Guide to the Patron Saints")and the illustrations. I bought it for the excerpts I read. I am ordering multiple copies knowing my sisters and brothers and friends will all enjoy what this book has to offer: Practical advice, humorously written, with familiarity that will touch our memories of what our parents and teachers touched on so many years ago. No longer a Catholic, but a rosary toting, devoted to the saints kind of person, I find the information in this entertaining book useful and therapeutic.0 von 0 Kunden fanden die folgende Rezension hilfreich. The answer to anyone's prayers!Von Ein KundeRegardless of your faith tradition, this book is a thoughtful journey through the troubles that commonly plague all our lives, offering comfort coupled with a personal focus on positive outcomes.The brief biographies on the saints and how they became associated with their particular protectorate are fun, informative, and complimented by warm, mystical illustrations.This book, and the saints, are the perfect empathetic, supportive friends to keep you company when life's worries are keeping you up at night!

KurzbeschreibungDear St. AntonyCome aroundSomething's lost and can't be foundIt's three A.M. and you're wide awake. Worrying. You may seek solace in snacking, or in a late-night call to your best friend. The problem is, even your closest friends need to sleep, and, let's face it, the snacking only adds to the worries.Where's a worrier to turn? To the patron saints, that's who. According to centuries-old tradition, a host of heavenly helpers is standing by, ready and eager to take a personal interest in you. Heaven Help Us shows you how to take your petitions straight to the top--to the martyrs and holy men and women who can intercede according to their particular areas of expertise:--Is true love eluding you? Light a candle to St. Anne on a Tuesday night--Are you suffering from a sore throat? Bake bread for St. Blaise--Is your wallet feeling light? Donate coins to St. ExpiditusCategorized by anxiety for easy reference, and filled with lively biographies of dozens of saints as well as step-by-step instructions for performing the long-established rituals to enlist their aid, Heaven Help Us has the remedies to cure all your modern-day woes.From the Trade Paperback edition.KurzbeschreibungDear St. AntonyCome aroundSomething's lost and can't be foundIt's three A.M. and you're wide awake.
