**Von Thomas Brooks : Heaven on Earth (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Heaven on Earth (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Heaven in PrintVon Ein KundeThomas Brooks' works are among the best of Christian literature. While most of his books are out of print, we can be thankful that his great treatise, "Heaven on Earth" still remains. Rich in vivid language, Brooks spells out the wonders of the blessing of assurance (or acceptance with God). He blesses the reader by unfolding the glorious truths of Scripture- showing how one can obtain assurance, and how to enjoy it. In general, Brooks provides a handbook for a victorious Christian walk. His teachings are deep and practical. There is not a dull page in this book. Today, one searches through the chapters of modern Christian books for a gem to take with them. But this work, like many of the past, hold precious nuggets in every sentence. The devoted Christian will find this book an absolute treat. I did not want it to end.

KurzbeschreibungThomas Brooks was a Puritan preacher and writer. Brooks studied at Emmanuel College,

Cambridge in 1625, the same place that famous religious figures such as Thomas Hooker, John Cotton and Thomas Shepard studied before him. Brooks became a minister at Thomas Apostles in London after the First English Civil War. Brooks did much of his writing after the Act of Uniformity in 1662. This edition of Brooks Heaven on Earth includes a table of contents. Kurzbeschreibung Thomas Brooks was a Puritan preacher and writer. Brooks became a minister at Thomas Apostles in London after the First English Civil War. Brooks did much of his writing after the Act of Uniformity in 1662. This edition of Brooks Heaven on Earth includes a table of contents. ber den Autor und weitere Mitwirkende Thomas Brooks was born in 1608. He entered Emmanuel College, Cambridge, in 1625, where such New England Puritans as Thomas Hooker, John Cotton, and Thomas Shepard were also educated, but he appears to have left before graduating. Brooks was ordained as a preacher of the gospel in 1640 and became a chaplain to the parliamentary fleet, serving for some years at sea. That ministry is mentioned in some of his sea-devotions as well as his statement: I have been some years at sea and through grace I can say that I would not exchange my sea experiences for Englands riches.
