**Von Ken Hutcherson : Here Comes the Bride: The Church: What We Are Meant to Be** before purchasing it in order to gage whether or not it would be worth my time, and all praised Here Comes the Bride: The Church: What We Are Meant to Be:

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Spirit-guided, humorous look at what the church could be Von stephunter@earthlink.net "Hutch"'s love of Christ and his straight-talking humor shine through his scripturally based look at the first church described in Acts. I "happened

upon" this book in search of why I feel incomplete in my large denominational church, and I have come to discover through Brother Hutch's spirit-guided analysis that several crucial elements are lacking in many churches. If you also feel that there is something missing in your spiritual growth and experience in your church, this book will help you to see what is lacking by looking at God's holy word in an honest light. I highly recommend it to those in any church who are seeking to be part of God's power here on Earth.0 von 0 Kunden fanden die folgende Rezension hilfreich. Plain talkin', to the heart answers for today's churches.Von pfltw@integrityol.comKen Hutcherson lives where we walk and talks to the heart of dead churches that sit and wonder why they are ineffective in today's world. I laughed, I cried and I pray to remain faithful to these principles of true ministry for today's people in need. Every pastor should read this book and your pastor would be blessed if you bought him a copy. Once he's read it, the copies ought to flow through the pews as your church catches the vision of true purpose.I pastor a church that is seeing changes as we grow with these principles. Thanks Ken for a truly great work.0 von 0 Kunden fanden die folgende Rezension hilfreich. This book is a boost for the Church today. God's way or not!Von Ein KundeWhen you look at the bible and what it really says we have to come to the conclusion as with this book that we are not following the biblical standard. Tradition, denomination, color, and prejudice rule the church today and not God's word and this book lays the facts out. I encourage you to read this book and then be man or woman enough to follow it's truth.

KurzbeschreibungIn this paperback release of Here Comes the Bride (formerly titled The Church), Pastor Ken Hutcherson reveals how God's original intention for His church has been distorted under stifling layers of tradition, denominationalism, racism, and fear. Many of today's believers jump from one congregation to another, searching in vain for the "real thing." Hutcherson calls us back to the book of Acts to find a church that's bold, energetic, empowered, and unstoppable. He underlines God's unchanging heart for the church -- and His unchanging will for us to be a people of truth, power, reconciliation, and love.From the Trade Paperback edition.KurzbeschreibungIn this paperback release of Here Comes the Bride (formerly titled The Church), Pastor Ken Hutcherson reveals how God's original intention for His church has been distorted under stifling layers of tradition, denominationalism, racism, and fear.
