Von Erich Friedrich, Renate Vanegas : Hitler's Prisoners: Seven Cell Mates Tell Their Stories (Memories of War) before purchasing it in order to gage whether or not it would be worth my time, and all praised Hitler's Prisoners: Seven Cell Mates Tell Their Stories (Memories of War):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A Poignant Insight into the Lives of Seven Courageous MenVon Ein KundeThis book is a remarkable account of the life and trial of seven individuals caught in the terror of the reign of the Third Reich. The author conveys the ordeals of these prisoners in such a way of convincing pathos that you feel the despair, pain and uncertainty that each character must have felt. If you enjoy reading World War II books this is a must read. Also, the book reminds me of experiences found in the movie Stalingrad.0 von 0 Kunden fanden die folgende Rezension hilfreich. Remarkable account of the Other side of GermanyVon Dennis NickelsonOnce I picked up this book, I couldn't put it down. I was shocked by the plight of Erich Friedrich and his cell mates. A fascinating and intriguing real life story and account of the "Other" side of Germany that we so rarely hear about. I strongly recommend this book. For other readers please let me know of any other books similar to this one.Thanks0 von 0 Kunden fanden die folgende Rezension hilfreich. Hitler's PrisonersVon Bruno ManzSeven deeply moving stories about seven German soldiers in Hitler's prisons. The seven men are very different, but they are united by their suffering in a prison of the German army. Most of them probably did not survive the ordeal, but one did: the author. He and his daughter tell us the stories in this unique and well written book.

KurzbeschreibungCoauthor Erich Friedrich won the Iron Cross fighting the Soviets. But when he refused to give the Nazi salute and criticized Hermann Gring, he was charged with subversion and thrown into a cell. With him were a suspected spy, two accused deserters, a Jehovahs Witness, a draft dodger, and a leftist. To try to push back the terror of the unknown, each man took a turn telling why he was awaiting torture and possibly death. Friedrich vowed to remember their remarkable stories forever.Pressestimmen"- "Finally, one of the most remarkable stories of World War II... a war story of another kind and a compelling read." - James E. Wise, Jr., coauthor of Shooting the War: Memoirs of a World War II U-Boat Officer - "In it speak the voices of Germans not often heard abroad. It offers its readers a fresh perspective on the impact of repression, violence, and war on Hitler's other victims - the Germans forced to fight his war." - Edwina S. Campbell, author of Germany's Past and Europe's FutureKurzbeschreibungCoauthor Erich Friedrich won the Iron Cross fighting the Soviets. But when he refused to give the Nazi salute and criticized Hermann Gring, he was charged with subversion and thrown into a cell. With him were a suspected spy, two accused deserters, a Jehovahs Witness, a draft dodger, and a leftist. To try to push back the terror of the unknown, each man took a turn telling why he was awaiting torture and possibly death. Friedrich vowed to remember their remarkable stories forever.
