Von Ron Smith : Hooked On The Word (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Hooked On The Word (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. This book is excellent and gives very good instructions!Von Josts@stud-mailer.uni-marburg.deThis book is excellent! The

author, Dr. Ron Smith, shows step by step how to meditate the bible effectively. His aim is to help all christians who struggle with their devotional life by introducing them to bible meditation and giving them a new excitement for God's word. The book gives clear guidance how to meditate the bible and it points out the benefits of bible meditation for body, soul and spirit. The author gives several examples for the effects of bible meditation, which makes the book interesting to read and he also adds a plan for daily bible meditation, that is a help for further meditation. While reading this book your hunger for God's word will increase and it surely will change your devotional life! I recommend it for every christian!

Kurzbeschreibung Bible Meditation Changes Us: Busy people learn to rest; Weak people become strong; Dry people are refreshed; Failing people succeed! This book helps Christians rediscover the value of Bible meditation.
