Von Halina Birenbaum, David Welsh : Hope is the Last to Die: A Coming of Age Under Nazi Terror before purchasing it in order to gauge whether or not it would be worth my time, and all praised Hope is the Last to Die: A Coming of Age Under Nazi Terror:

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. The power of the soul to overcome Von haggerty@rintintin.colorado.edu One of the BEST first hand accounts of the holocaust and life inside Auschwitz. I bought my copy at Auschwitz and every detail from the book is superimposed

with the memory of the camp as it is today. The imagery the author uses is mesmerizing. This is a truly moving story full of hardship and courage. Even through all of the trials and tribulations of life in the camp of death, the author shows us the beauty of companionship and hope. I wondered at this book. How one individual could survive those around her dying and still have the desire to live. It is through the hope and courage that she can live and it is through this book that the problems of my life seem so insignificant. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Very, Very Moving Von Lee Kanne I have read many books about the holocaust, but this one is special to me. After having the honor of actually meeting the author and hearing her story told first-hand (twice), I felt like I had to get her book. I did, and it changed me. Reading it was an experience which was almost too difficult for me and yet, I didn't want it to end. It is written like a story -you go through everything she goes through, you sort of relive it with her. That is why, when you finish the book, you feel like she is your best friend. I wish she was.

Kurzbeschreibung This book is an important work in Holocaust literature and was originally published in Poland in 1967. Covering the years 1939-1945, it is the author's account of her experience growing up in the Warsaw ghetto and her eventual deportation to, imprisonment in, and survival of the Majdanek, Auschwitz, Ravensbruck, and Neustadt-Glewe camps. Since the old, the weak, and children were summarily executed by the Nazis in these camps, Mrs Birenbaum's survival and coming of age is all the more remarkable. Her story is told with simplicity and clarity and the new edition contains revisions made by the author to the original English translation, and is expanded with a new epilogue and postscripts that bring the story up to date and complete the circle of Mrs Birenbaum's experiences.
