Fakten die Langweilig sindVon Andrej VargaFalls jemand eine Arbeit schreibt über Schottland findet er sicher interessante infos, jedoch falls mann es nur aus neugier liest ist es einfach langweilig. Der Humor ist nicht zum lachen und die

Verarbeitung ein bisschen chaotisch.

KurzbeschreibungScotland is a small country with a huge history - mostly of war with England! Follow the bravehearted Highlanders from the desperate Dark Ages to the terrible 20th Century. Learn how to play gruesome games like Twisting the Cow, see what the Scots used to do with burnt pigeon droppings, and discover whether you're glaikit, douce or peelie-wally! Find out the terrible truth about William Wallace, shudder at sick Scottish torture techniques, and find out how to terrify a tourist with gory Scottish ghost stories!
