Von Michael Hicks : Warwick the Kingmaker before purchasing it in order to gage whether or not it would be worth my time, and all praised Warwick the Kingmaker:

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Great Biography of the War of the Rose's central figureVon Ein KundeA Warwick! A Warwick! Mr. Hicks work should be applauded. While the beginning of the book is very academic, in verse and research, it attempts look at Richard Neville, 16th Earl Warwick and Kingmaker, as a whole person. Hicks looks back on both primary and some secondary

sources, makes some assumptions, but overall lets the reader decide on Warwick's character. He notes the mixed temperament of 15th Century English - some hated Warwick, many more loved him. As a self proclaimed scholar of Neville, I have to highly recommend this work - along with four other titles entitled "Warwick" or "Kingmaker", all of which are out of print.

Kurzbeschreibung This book illuminates Warwick's character and motivation, showing that he was an emotional, charming, and popular man with a strong sense of family loyalty. It is the first full study of this compelling figure within the context of political life in late medieval England.

Pressestimmen "Thoroughly recommended to anyone wanting to make sense of the bloodbath in late medieval English history known as the Wars of the Roses." BBC History Magazine "Hicks' book will be the standard work on Warwick." History "A rewarding essay ... founded on comprehensive research and a profound knowledge of the era which none today can match." History Today "There is a great deal to admire in this book. It is shrewd and knowledgeable in its judgments, based on a tremendous amount of research, and has a lot of new and interesting things to say about the politics of mid-fifteenth century England." The Medieval "Hicks has made another considerable contribution to our understanding of fifteenth-century England, and this book is sure to be widely read and vigorously discussed." American Historical -Thoroughly recommended to anyone wanting to make sense of the bloodbath in late medieval English history known as the Wars of the Roses.- BBC History Magazine -Hicks' book will be the standard work on Warwick.- History -A rewarding essay ... founded on comprehensive research and a profound knowledge of the era which none today can match.- History Today -There is a great deal to admire in this book.
