We Got the Water: Tracing My Family's Path Through AuschwitzVon Dr Charles McCombieThis is a really moving book based on the author's innumerable discussions with her father, his two sisters and one husband who all went through the Nazi camp experience. From 107 Extended Family Klein members from their Hungarian district, only 7 came through the war. The book gives a graphic picture of what they went through and of the resilience that these survivors showed. Their Story should never be forgotten.

KurzbeschreibungWe Got the Water is the story of the Klein family: Herman and Bertha, and their three children, Lilly, Oli and sixteen-year-old Gabi. In the spring of 1944, along with more than 400,000 other Hungarian Jews, they were forced from their homes, rounded up, and sent to Auschwitz. The Kleins were aboard one of the very first trains of this mass deportation. Author Jill Gabrielle Klein follows her father, his sisters and their mother through Auschwitz and into slave labor camps in Poland and Germany, providing a narrativeboth harrowing and inspirationalof resilience in the face of terror.KurzbeschreibungWe Got the Water is the story of the Klein family: Herman and Bertha, and their three children, Lilly, Oli and sixteen-year-old Gabi.
