**Von Belinda Hurmence : We Lived in a Little Cabin in the Yard: Personal Accounts of Slavery in Virginia (Real Voices, Real History) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised We Lived in a Little Cabin in the Yard: Personal Accounts of Slavery in Virginia (Real Voices, Real History) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Ex-slaves share their stories. Fascinating and surprising. Von Ein KundeWe Lived in a Little Cabin in the Yard is a quick read, but it gives ample food for thought. During the Great Depression, writers interviewed surviving ex-slaves and this book is a collection of their stories. Although the reason for the inclusion of the specific stories in the book is that all lived in Virginia at one point in their lives. The feelings shared pertaining to emancipation were quite interesting, and like many who are survivors of abuse, some of these tragic people seemed to feel some attachment to their abusers (slave owners.) Their indifference to the Civil War was unexpected, and their lack of direction after emancipation is something not often written about. The shame that we experience as a previously slave-owning culture is unearthed in the process of reading this little book, and I somehow felt as if I were doing something wrong by reading it. I don't think I'll ever forget it.0 von 0 Kunden fanden die folgende Rezension hilfreich. This is a great book! Von Enjoyed the bookThis book was very intriguing. I love to learn about the lives of african americans and this was very helpful. The collection of interviews were great and I learned a lot from this book. I think that anyone who reads this book will enjoy it. That is all I have to say!

KurzbeschreibungIn the 1930s, the Federal Writers Project undertook a massive effort at gathering the oral testimony of former slaves. Those ex-slaves were in their declining years by the time of the Great Depression, but Elizabeth Sparks, Elige Davison, and others like them nonetheless provided a priceless record of life under the yoke: where slaves lived, how they were treated, what they ate, how they worked, how they adjusted to freedom. Here, Belinda Hurmence presents the interviews of 21 former Virginia slaves. This is a companion volume to Hurmences popular collections of North Carolina and South Carolina slave narratives, My Folks Dont Want Me to Talk About Slavery and Before Freedom, When I Just Can Remember.
