God (Jesus) more accessible
Von Ein Kunde I couldnt put this book down! It shows us how much God (Jesus) loves us! How He came to earth to "walk in our shoe's" and that He isnt some diety that we cant have for a friend and Savior! This devotional book is one that I recommend to everyone weather they are saved or not! It tells of how He yearns for a relationship with us and how He wants so much for us to just accept His gifts of love and salvation! It's as if God (Jesus) Himself is talking to you personally, its amazing how you get caught up in it and begin to feel as if God is talking to you personally as you read it. If your already a Christian this book will draw you closer to God...give you a more clear understanding of Him and His love! If your not a Christian, you will have a new understanding of what God is like and how much He loves you, how He is reaching out to you and waiting patiently for you to just give Him a chance to come into your life and show you His Love, Grace, Mercy, understanding, and most of all His deep desire to have you come into His Kingdom! This is a must read!

One of the Best
Von Ein Kunde I have recently completed Experiencing God by Blackaby and Breaking Free by Beth Moore. What is the Father is Like? goes along with those ideas perfectly. I have not been able to put this book down. It is wonderful to discover how much the Father loves us and desires to know us.
