: **WHAT IS THE NAME OF YOUR GRANDFATHER? (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised **WHAT IS THE NAME OF YOUR GRANDFATHER? (English Edition)**:

KundenrezensionenHilfreichste Kundenrezensionen3 von 3 Kunden fanden die folgende Rezension hilfreich. An interesting personal journeyVon Anselme PauSometimes personal experiences of daily life in a country full of contradictions can show the absurdity of politics better than a political analysis. Mario Guerra's own view gave me an interesting look on a country I know only through what I hear in the news and a better understanding of the two sides. I like the fact, that lots of photos were included which sometimes tell more than thousand words.3 von 3 Kunden fanden die folgende Rezension hilfreich. Honest and very informative read!Von CustomerReally enjoyed this personal account , unbiased and honest but so informative on what is really going on in the Middle East. Short and easy enough to manage , giving real life examples and anecdotes to give a true picture of the situation.2 von 2 Kunden fanden die folgende Rezension hilfreich. Very valuable, worthwhile readingVon KundeMario Guerra took me to an extraordinary journey, a pure, authentic, exciting and challenging experience in search for humanity with a view beyond the wall and an insight to your self Congratulations and thank you for the trip, I wished it to be longer!

KurzbeschreibungThis book is not about the State of Israel and its occupation policy. Countless books have been published about Jewish terrorists and the barbarity of the creation of Israel, the Nakba, the ethnic cleansing of the Palestinians, the settlements and the continuous harassment of the original inhabitants of this piece of land in the Middle East. This book is about what I experienced during almost three years, when I joined my wife who had accepted a job in Jerusalem.
