book was truly a 'blessing' to me\*\*\*Von Ein KundeThis book was written in such an easy to understand way, it was unbelievable. The author broke down the beatitudes and commandments in such a way that brought about new understanding and insight. I feel that I now have a better understanding of them and can apply them to my daily christian walk. I am now able to break it down to others so that they will be able understand as well. It is definitely a must read for all christians - or anyone striving to be!!
