**Von Max Lucado : When Christ Comes: The Beginning of the Very Best** before purchasing it in order to gage whether or not it would be worth my time, and all praised When Christ Comes: The Beginning of the Very Best:

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. When Christ ComesVon anita steckI searched for answers after my only daughter dies on 1996. She was only 26 years old. Why,is she alright,will I see her again,etc.? I no longer ask these questions, God led my husband to buy this book about 4 weeks ago. In reading it together, we no longer question, but feel she is rejoicing with our Lord. I will always

miss her and long to see her. But, today we both believe we will reunite with her on that glorious day When Christ Comes.0 von 0 Kunden fanden die folgende Rezension hilfreich. One of the Most Powerful Books I've Ever Come AcrossVon franklin robertsonAll of us have faced death in one way or another. All of us have come across grief, a simple sad rainy day, or a pure agony that seems to go on for months...maybe years...Even when our bodys don't seem hurt, we all have felt our hearts, our souls, bleed...How are we freed from this? Can we ever truly be freed in this body? Not in this world, a truthful answer to both questions. Will we actually be free one day...a most definate YES! if we live in the glory and the grace of our Lord Jesus Christ!Life is harsh, can be cruel, life is painful, can be sinister...oh but God...God is so glorious... He sent his Son to die for us...because he did that...we are changed...How are we to live? Are we suppose to live for just today? No! Christ will return to us someday...whether it is on our death bed...or the beautiful Rapture of the Church...Max explores our lives in living and serving for Christ...how we are able to change lives...like the idea of the butterfly whipping its wings... causing a tornado across the world...We might not be saints...But Max explains how we influence others, how we influence ourselves... how we are able to help bring people to the glory of God...how we are able to bring ourselves up to Christ so that he may say with love "Welcome Faithful Servant..."This book is so important in our lives, in our witnessing, in our private pains, in our most glorious moments...when we seem to be atop the world...It puts it all together...I thank Lord for Max, he is a hero...0 von 0 Kunden fanden die folgende Rezension hilfreich. the review on when christ comesVon rita williamsthis book gripped me from the very first page. i must admit i was a little troubled by some of the paragraphs,but on the whole i learnd a great deal about jesus,the pain and suffering he indured for humankind.i enjoyed the chapter crossing the threshold where he told a story(or what i thought was a story)about a prince and a peasant bride. as i read through the paragraph i realised max was actually talking about god being the prince and us representing the peasant bride. we may at times dessert him and forget about him but my heart is full of HIM.An inspiring book written by an extremlely talented author,who shows great faith and compassion in his writings. GOD BLESS you and your beautiful family max,may they give you joy,peace and happiness for the rest of your life and beyond.

KurzbeschreibungLife with no end? Space with no bounds? And what about Armageddon, The Lake of Fire, The Mark of the Beast?Are we supposed to feel good about all this?When we wonder about these things, we aren't alone. There is much about the end of history we don't understand. But while thoughts on the final day will stir our questions, they needn't stir our fears. Regarding that day, Jesus urged, "Don't let your hearts be troubled. Trust in God, and trust in me" (John 14:1).Max Lucado believes the day Christ comes will be the "beginning of the very best." And our primary task is to be prepared and peaceful while we wait.If we have some questions about the end of time ...If we have concerns about what will happen to us ...If we want to look to the end of times as a source of comfort and not chaos ...Then this is the book we need.New York Timesbest-selling author Max Lucado walks us through Scripture to find peace in the present and hope for the hereafter.
