have not finished reading, i feel it will get me closer to God and let me understand Jesus' life on earth. It was sent within the time advertised online too. Good work.

Kurzbeschreibung After creation itself, the greatest miracle was when God Himself became a Man and walked upon the earth. He did this to show man how to become "a new creation," ascending into the heavenly realm with a spiritual nature. This book is about that most remarkable time from the perspective of both men and angels.
