Kurzbeschreibung You Can Thrive Not Just Survive in An Unequally Yoked Marriage Marriage is challenging, even under the best of circumstances. But for those of us whose husbands don't believe or are not growing spiritually, marriage brings difficulties unlike those faced by other women of faith. If you love a man who is not committed to Christ, you may feel frustrated, guilty, or anxious; discouraged and lonely. You likely worry about how your husband's beliefs or lack of them will affect your children. Perhaps you, like so many women, have tried to help your husband find or deepen his relationship with God only to find that you have, unbelievably, pushed him farther away. You may be wondering, What do I do now? Or, worse, you may have lost all hope. God is still in control. Speaking from experience, Nancy Kennedy offers biblical truth, practical help, and comforting insight from women who have walked in your shoes and who have come to better trust God and more fully understand what to do (and what not to do) When He Doesn't Believe. From the Trade Paperback edition. **Pressestimmen** "The next time we hear from a woman who feels alone in her faith, we'll know just where to turn. Nancy Kennedy has given countless souls new strength with this helpful book. It's desperately needed and long overdue. When He Doesn't Believe, supplies hope for every wife who wonders if God has not heard her prayers for her husband's salvation. Nancy writes from the heart, and your heart will be touched by her words." --Drs.
